

BigShots Indoor Range Rental Gun Policy

At BigShots, we understand that purchasing a new handgun or rifle is a big decision, so whether you are interested in purchasing a specific firearm model or are unsure where to start, our firearm experts can help.

We maintain a large firearm rental fleet of assorted handguns and rifles. We aim to provide customers with a unique opportunity to experience different firearm models and find the ideal model before making a purchase.

Whether you are new or experienced, firearm safety is always our top priority. To ensure our customers remain safe and have the most enjoyable shooting range rental and indoor shooting range experience possible, a Range Safety Officer will be present anytime a shooter is on the range.

Gun Rental Rules

Please note: In order to rent our firearms, you must be accompanied by another person.

- A liability waiver must be completed to use the range and rent firearms.
- No individuals will be allowed to rent. To rent a firearm, a shooter must be accompanied by another shooter on the range.
- Outside ammunition is NOT authorized for use with any BigShots rental firearm. Customers must purchase their ammunition at the time of their rental.
- All rental firearms will be locked while entering, exiting the range and unlocked by the RSO in your shooting stall.
- Eye and ear protection are mandatory while on the range.
- All commands issued by the Range Safety Officer are final and to be obeyed. If you observe any unsafe situation alert a Range Safety Officer immediately.

Firearm Rental Pricing

Rental pricing between handguns, long guns is \$15 per firearm – plus ammunition. If multiple rentals are rented, the price will drop to \$10/firearm for each subsequent rental. If the individual renting the firearm chooses to purchase a gun that day, the rental fee will be waived.

Fully Automatic Firearms are \$60/item. This does not include ammunition.
