APPROVED NFA TAX STAMPS

- We will notify you by telephone when your NFA Item and Approved Tax Stamp is ready to be picked up.
- *If you are awaiting a Tax Stamp, make sure your voicemail is set up and able to receive messages.*
- **Approved NFA Items must be picked up IMMEDIATELY**
 - Per the ATF Form 4, item 3. “**Approval of Application.** Upon approval of an application, the NFA Division will return the approved copy to the transferor for delivery with the firearm to the transferee. If the physical transfer of the firearm cannot be completed immediately, the transferor must contact the NFA Division with the specifics.”
 - Further.... ATF Form 4, item 5: “**Cancellation of Approved Application.** The transferor (BIGSHOTS) may cancel an approved application only if the physical transfer of the firearm has not been completed. The transferor must return the approved application with the original tax stamp affixed with a written request for cancellation, citing the need and that the physical transfer of the firearm did not take place.”
- Approved NFA Items **NOT** picked up **Immediately** will be subject to withdrawal of the approved Tax Stamp and the item considered abandoned. There will be no refund.
